April - June 2010

A New Year...

The school year is just about to come to an end, yet it seems like it has just begun. Nicole and I are anxiously awaiting the arrival of our son, Jayden, in June and looking forward to this new chapter God has opened in our lives. We know that this summer especially will be extremely busy, but we are looking forward to all the events and activities. Our trust is in our Maker, we know He will see us through!

Sincerely,

News Updates

Since the switch to the combined model in January we have seen tremendous growth as a group. The older students have the opportunity to build into the lives of the younger students and set a Godly example. We are very pleased with the results so far and are looking forward to this new quarter of ministry.

If you have not checked out our Far Side youth website, please look it up www.farsideyouth.org. Parents, you will be able to see a full calendar of each month's events and stay posted with all the activities coming up. You can also browse our photo gallery and download forms and flyers.

Guy's fellowship will be switching back to meeting at Silverton First Baptist Church starting in June. So far we have had a good outcome and hope for more students to be able to participate this quarter. We will continue to meet Monday nights from 7-9pm.

A Glance Ahead

We want to make sure that we are teaching God's word on a regular basis. Each week's lesson will come from the theme of the month.

- April – Jesus' Teachings (HS)
- May – Jesus' Miracles (HS)
- June – Jesus' Miracles (HS)

“Do not conform any longer to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is his good, pleasing and perfect will.”
