

FAR SIDE Youth Update

Silverton First Baptist Church

January - March 2010

A New Year...

A new year has begun. I can't believe that it is already 2010. We are excited to start this New Year with quite a few changes to the FAR SIDE Youth program. God, like always, has been faithful and true and we are excited to see what He has in store for us this New Year!

Happy New Years!!!

Sincerely,

News Updates

Over these past six months the Far Side leadership team has been evaluating our youth ministry program. After much prayer and counsel we have voted and agreed to move towards a new model of youth ministry. We call this the combined model. This is a program that places both Jr. High and High School into one program eliminating two weekly programs. We feel that through combining these programs we will be moving towards the unity of our youth as one body of Christ. This program will also help unify the family through providing youth programs for their children without having multiple weekly meetings. The JH & HS groups will be together for games, worship and announcements but each group will have their own lesson targeted at each age group. This new model will go into effect starting January 6th 2010. As a leadership team we feel this is the right direction for us as a group. If you as a parent have any concerns or comments, please feel free to let us know.

The Far Side youth website is now fully up and running. Please check us out at: www.farsideyouth.org. On this site you can find out who we are and what we stand for as a Youth Ministry. You can also see all of our upcoming events, browse our photo gallery and download forms and flyers.

In January we will be starting a program called GF. This stands for Guys Fellowship and is a program to give the guys in our youth group a chance to fellowship and grow together spiritually through sports and bible study. We will be meeting Monday nights from 7-9pm at the Butte Creek Elementary Gym. This fellowship is open to all guys 7th to 12th grade.
