A New Year...

Finally free from school for the summer! This year continues to fly by as we find ourselves already moving full speed through summer. This year has been very eventful as Nicole and I reached our one year mark here in Silverton, and welcomed a new addition to our family, Jayden Michael Brock! As we look forward to all the events and activities this summer holds we are excited about how the Lord is going to work in our staff and students lives. Please keep praying that we will remain faithful to his call!

Sincerely,

A Word From Rachel...

I am writing you as the new Jr. High Intern! This means I have the privilege of heading up the Jr. High program for the summer (June-August). I will be teaching the 7th and 8th graders Wednesday nights at youth group, and two Sunday Schools a month. We will be going through the book "The Case for Christ" and on the Sunday mornings that I teach we will be going through the book of Esther!

Aside from Sunday school and Wednesday night youth group, I am planning a weekly girl's fellowship for the Jr. High girls to be a part of. I am praying it will be a summer of growth for not only the students but me as well! I love Jr. Highers am so excited to see what God has in store for this summer! Steve and I are currently planning the Jr. High retreat for this summer. It will be the weekend of August 20-22, and we have got some fun ideas for the weekend!

This internship will be such a great experience for me, and I feel that it is perfect training for my future plans! I am looking into MK teaching (missionary kids), through New Tribes Mission. I have finished the first half of the training (2 years of Bible School), and am looking at getting my teaching degree, before finishing the training. I appreciate the opportunity to be serving in the youth group this summer! I would also greatly appreciate your prayers and support this summer!

In Christ,

News Updates

For the next three summer months the FAR SIDE High School group will be taking a break from the teachings of Jesus and we will be going through a series on biblical dating. The Ten Commandments of Dating is a great book that focuses on the ten main biblical views and rules of dating.

Guy's fellowship will be switching back to meeting at Silverton First Baptist Church for the summer. Since the switch to Tuesday nights it has opened the door for quite a few more students to participate. We are excited about how the Lord will use this ministry this summer! Guys Fellowship will continue to meet Tuesday nights from 7-9pm.
